## ***Status Reports***

### **TAC**

Nothing to report. The TAC has not met and has received no contributions.

### **Other industry groups**

Nothing to report. The presentation by Mark McFadden was deferred until the March meeting.

### **End-user trial report update**

The LLC has been in contact with the USG inter-agency team. The USG is preparing written communications regarding End-user ENUM and the trial. That

communication is under review by the various agencies. The LLC is waiting to receive that communication before undertaking any further activities.

The delegation of 1.e164.arpa was allowed to expire on 15 February 2008.

***Provider ENUM RFP***

Steve Lind reported that the LLC received several proposals in response to the RFP on February 15. The LLC members are currently reviewing the detailed evaluation criteria to ensure a consistent approach during the review process. The evaluation is expected to be completed on 25 April 2008 (instead of 18 April as previously announced).

***Q&A***

There were no questions.

The next open meeting of the LLC will be held on March 19, 2008 at 10 AM PDT.
